

~~SECRET~~ SECURITY INFORMATION
PROJECT OUTLINE

CRYPTONYM: CARBOHYDRATE

Period Covered: 1 October 1952 - 30 September 1953

PART I

1. Area of Operations:

Germany, Frankfurt - Berlin Operations Base

2. References: None.

3. Purpose:

- a. Objectives: To locate possible penetration agents in the HVDVP, HVA and MSS, to furnish documentation intelligence and to perform name checks through East Sector Berlin police files.
- b. Targets : The Soviet Sector Berlin Polizeipräsidentium and DDR police circles.
- c. Tasks : To maintain his position within the East Berlin police and his standing in the SED; to perform name checks and furnish operational leads.

4. Personnel:

CARBOHYDRATE (Personal Record Questionnaire, MGB-A-3960) is a 35-year old German national employed in the East Sector Berlin Polizeipräsidentium. He has been run as a penetration agent by this Agency since May 1948. He is a member of the SED.

5. Cover:

- a. Case officer is known as a representative of an unknown American intelligence service.
- b. Agent can fulfill the objectives of the operation in the normal exercise of his assigned police functions.

6. Contact and Communications:

Agent comes to West Berlin, by appointment, approximately once a month; he is picked up and taken to an operational house for briefing and debriefing. For emergency contacts, a letter, listing as sender the address of agent's father in West Berlin, is sent to agent at his home in East Berlin. This letter will state that the writer plans to visit agent at his home on ...date at ...time. The agent will then appear at the usual West Berlin meeting place on the date and time stipulated in the letter. When emergency meetings are desired by the agent, either he or his wife calls the BOB agent telephone number. When police duties prevent agent from coming to West Berlin, his wife can act as courier.

7. Control:

To a large extent based on our payments of salary which allow agent to better

support for his family; to a degree on dislike shared by agent and wife of Soviets and Communist system; documentary evidence that agent has furnished American intelligence organization with information and has received monetary payments for his services.

8. Special Equipment: None at present. SW equipment might have to be furnished agent in the event that Soviets enforce more rigid control over persons passing between East and West Berlin.
9. Coordination: None.
10. Timetable: Agent has been in our employ since May 1948; termination of the project is envisaged only when the operation is proved to be unprofitable or when agent is forced to flee.
